

THE SEMI-ANNUAL SPOTLIGHT

THE LATEST HAPPENINGS AND NOTEWORTHY HIGHLIGHTS OF THE PAST SIX MONTHS.

JANUARY/FEBRUARY

To start the new year, the Agency warmly embraced new clients and diligently worked with existing clients to identify optimal policies tailored to their needs. Achieving Accreditation from the Better Business Bureau served as a fantastic testament to our commitment to exceptional customer care, compliance with local and federal regulations, and being a trusted entity within the community.

MARCH/APRIL

If you happened to visit our office at this point in time, you might have noticed the flurry of painting and remodeling activities as we eagerly prepared for an upcoming commercial filming. Our sponsorship of Ladies Night at the Unique Suites in Charleston provided an excellent platform for networking, creating connections with both new acquaintances and valued clients. The Charleston Chamber of Commerce event allowed us to escape our everyday surroundings and immerse ourselves in the vibrant spirit of the Kentucky Derby.

MAY/JUNE

Kudos to all who took part in the SBHS Races For All Paces! Your dedication and effort in training were truly remarkable. We had the privilege of being volunteers on the Official Cheer Team. Moreover, the Pop The Top Car Show in Arcola proved to be an exceptional gathering for passionate car enthusiasts, allowing us to connect with all of you.
