

### LADIES NIGHT

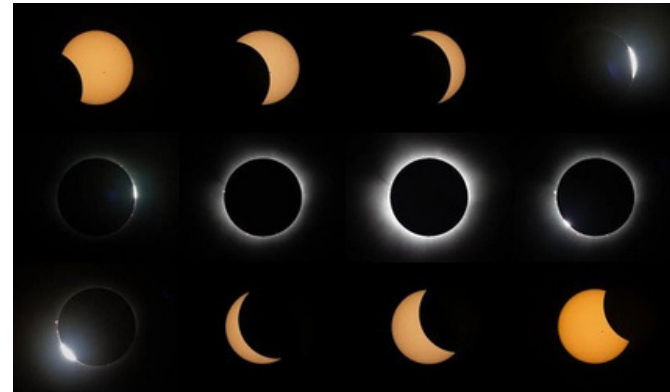

Cooper Bumpus Insurance Agency recently sponsored a highly successful ladies night event at the Unique Suites in Charleston. This brought together an enthusiastic crowd for an evening filled with prizes, delicious food, local business connections and plenty of fun.

Besides the entertainment factor, events like Ladies Night provides us with an opportunity to showcase our commitment to the community. We aim to strengthen relationships with our customers, potential clients, and other businesses in the area.

### TOTALITY 2024

The following image was captured Mt.Vernon, IL on the Bumpus Homestead by, Bryon Grove, Ph.D.,FAAA/UND

As the Moon passed in front of the Sun, it revealed the beautiful Sun's outer atmosphere - the Corona. For those of you that were lucky to see the totality, Congrats! The eclipse doesn't just appeal to the eyes you actually feel it all around you.

The eclipse is a powerful reminder of how small we are in the Universe. It also reminds us of our place in our communities. It was great to see our local community invite each other to viewings, cookouts, and parties. Families, schools, and businesses all came together to promote and enjoy this celebrated event.

### CHALLENGE ACCEPTED

Hilltop Skilled Nursing and Rehabilitation asked us to join in their photo contest and strike a cool pose to celebrate the solar eclipse happening on April 8th. In a spare of the moment, with a few of our coworkers out that day, we rallied and took the challenge with a bright sunny attitude. GUESS WHAT? We won the contest and a tray of Insomnia Cookies! Worth it 😊

### EARTH DAY

What did we do for Earth Day? We cleaned up litter around our office building and parking lot, wore our green to represent, and shared energy-saving tips. Even the office plants and landscaping got a boost showing love for our planet and making caring for it a regular part of our routine.
