# AUGUST 2024 FUN FACT

Do you know why we close early on Thursday's?

David Cooper used to be part of a golf league and would take time off on Thursday afternoons to play golf. He decided to extend that flexibility to everyone by closing the office, allowing everyone to handle personal appointments or simply enjoy some time off.

## 86 Years Combined Insurance Experience

August is the designated month at Cooper Bumpus Insurance Agency for celebrating our team members' work anniversaries. This is an opportunity for us to reflect on the knowledge, experience and friendly nature each individual brings to the agency. Together, these qualities ensure you receive exceptional value when you choose to do business with us.

### WHERE DID WE GO THIS MONTH?

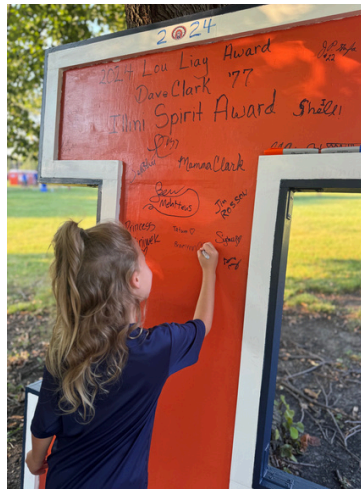

### EIU @ ILLINI

The season opener between Eastern Illinois University and the Fighting Illini brought the community together in a fun display of sportsmanship and excitement. Fans filled the stands early, enjoying lively tailgates and pre-game celebrations. The game was eagerly anticipated for its exciting football action and team dynamics. While summer may be coming to a close, the excitement of fall football makes it all worthwhile!

### TRADITIONS

### The Big I

Jeanette and Dave Clark have a tradition for the decades. Made by a family friend of Dave's, the **I** is a creative way for all visitors to sign and leave messages at their tailgate each year.

Our agents nominated **Charleston's "Food 4 Kids"** for the IMT Community Contest and they **WON!** The contest was sponsored by IMT Insurance, one of our carriers, and the award was a monetary donation. The Charleston Food 4 Kids is a non profit program that helps families that face challenges and those with food insecurities. They do this by serving out food bags at times when the subsidized school meal programs are not in session. If you are interested in donating to this cause reach out to Food 4 Kids on their Facebook page.
